

Life

Life

IRM performance for everyone

THE HIGHLIGHTS

- + Designed according to the recommendations of the Association Tourisme & Handicaps (Tourism & disabilities association)
- + Easy access to the bedrooms and bathroom through sliding doors
- + Turning space in each room

The TOP options

- 500 W convector heater in the bedrooms.
- 160 x 200 cm bed in the master bedroom without reducing freedom of movement.
- Infrared radiant panel convector heater in the bathroom.

New MODUL'HOMES: the features, the layouts - you choose!

An entrance hall, relaxation area or storage space, modul'homes are perfectly suited to mobile homes with 1- and 2-slope roofs. They can be placed at the gable end, as an entrance, or separately from the mobile home.

The model that's accessible to all
